# PROCEEDING OF THE INTERNATIONAL CONFERENCE ON ECONOMICS, ACCOUNTING, AND TAXATION

**VOLUME. 3 NUMBER. 1 JUNE 2026**

## JOURNAL FOCUS AND SCOPE

**Proceeding of the International Conference on Economics, Accounting, and Taxation** is a collection of scientific papers and articles presented at the National Research Conference, which is regularly organized every year by the **Proceeding of the International Conference on Economics, Accounting, and Taxation**. The topics covered in this proceeding include: (a) Accounting, (b) Management, (c) Economics, and (d) other relevant fields. The proceeding is published twice a year, in **June and December**.

Articles published in the **Proceeding of the International Conference on Economics, Accounting, and Taxation** consist primarily of original scientific research findings, as well as recent scholarly review articles (non-priority) and comments or critiques of articles previously published in this proceeding. The proceeding welcomes manuscript submissions from researchers and academics from various countries and international backgrounds.

All articles published in this proceeding undergo a peer-review process conducted by qualified reviewers. The **Proceeding of the International Conference on Economics, Accounting, and Taxation** primarily accepts manuscripts based on original research, while recent scholarly review articles are considered non-priority submissions. The decision to accept or reject a manuscript rests with the Editorial Board, based on the recommendations of the peer reviewers.

# PROCEEDING OF THE INTERNATIONAL CONFERENCE ON ECONOMICS, ACCOUNTING, AND TAXATION

**VOLUME. 3 NUMBER. 1 JUNE 2026**

## PREFACE

**Proceeding of the International Conference on Economics, Accounting, and Taxation** is a collection of scientific papers and articles presented at the National Research Conference, which is regularly organized every year by the **Proceeding of the International Conference on Economics, Accounting, and Taxation**. The topics covered in this proceeding include: (a) Accounting, (b) Management, (c) Economics, and (d) other relevant fields. The proceeding is published twice a year, in **June and December**.

Reviewers assess the originality, clarity of presentation, and contribution to the field. The publication includes research articles, literature reviews, case reports, and conceptual or policy-oriented articles. The Proceedings of the International Conference on Economics, Accounting, and Taxation accepts articles in both English and Indonesian. All articles for publication must be original work that has not been published before. Submitted articles are reviewed by a team of internal and external reviewers. The Proceedings of the International Conference on Economics, Accounting, and Taxation accepts articles in both English and Indonesian.

The Editorial Board will continuously strive to improve the quality of the journal so that it can serve as an important reference for the advancement of knowledge and scientific development. We would like to express our sincere appreciation and gratitude to all reviewers, members of the Editorial Board, and everyone involved in the publication of this journal.

Regards,

Editorial Leadership
